

SHIFT YOUR STRATEGY

A panoramic view of the Nashville skyline at dusk. The sky is a deep blue, and the city lights are beginning to glow. A white network overlay of hexagons and dots is superimposed on the image. The dots are colored yellow, orange, and blue. The text 'SHIFT YOUR STRATEGY' is written in large, white, sans-serif capital letters across the top left.

Glass Quality Inspection Process

OVERVIEW:

This activity is designed to give you an opportunity to see the glass quality inspection process. Additionally, you will have an opportunity to review some of your company's equipment and processes.

TOOLS:

For this activity, you will need the tools listed below:

- Pencil or Pen

ACTIVITY MATERIALS:

Collect the following activity materials from your supervisor.

- No materials required for this activity

INSTRUCTIONS:

Coordinate with your supervisor for an overview of the glass quality inspection process, and answers to the question below. Record your notes in the space provided.

INSPECT GLASS BILLET: _____

INSPECT GLASS CONDITION: _____

Answer the following questions regarding your company's glass quality inspection processes.

Do you have automated glass cutting equipment? If so, how many glass lites are verified for proper size after a batch is cut? _____

List the ways in which glass can be damaged during the fabrication process? _____

Where in the process are glass lites inspected for defects in your facility? _____

Training can:

- get new hires up to speed faster
- prevent production errors before they occur
- create a safer work environment

A man in a blue and black checkered shirt and dark vest is working on a large glass panel in a factory setting. He is wearing gloves and is focused on his task. The background shows a large industrial space with windows and other workers. The lighting is bright, and the overall tone is professional and industrious.
