NGA Antitrust Policy

It is the undeviating policy of the Association to comply strictly with the letter and spirit of all federal, state and applicable international trade regulations and antitrust laws. Any activities of the Association or Association-related actions of its staff, members, officers, directors or chapter officials which violate these regulations and laws are detrimental to the interests of the Association and are unequivocally contrary to Association policy. *Please refer to NGA Bylaws for SECTION 2. IMPLEMENTATION of the antitrust compliance policy of the Association.*

Committee Scope:

To serve as the hub for all discussion and activities related to installing companies within the glass and glazing industry—to include contract glaziers, building envelope contractors and full-service glass companies—with a focus on advocacy, technical resources, advocacy, education, events, and communication across the supply chain.
